

SITUAȚIE EXISTENTĂ

The architectural floor plan, titled "SITUAȚIE EXISTENTĂ", illustrates the existing layout of a building. It is defined by a grid system with horizontal lines 1, 2, 3, and 4, and vertical lines A, B, C, D, E, and F. The plan shows a central staircase and several rooms on either side. Elevation markers in meters are provided throughout the drawing, indicating the height of various levels relative to the ground level (±0.00m). The building's footprint is approximately 190m wide and 250m deep. The staircase is located in the center-right of the plan, connecting the ground level to the upper floors. The rooms are arranged in a symmetrical fashion around the central staircase. The plan also shows the location of doors and windows. The overall layout suggests a multi-story building with a central vertical circulation space.

Grid Line	Horizontal Position (m)	Vertical Position (m)
1	0	0
2	190	0
3	380	0
4	570	0
A	0	14.06
B	0	11.73
C	0	8.10
D	0	5.40
E	0	2.70
F	0	0.00
